

Stampede Drilling Announces Renewal of Normal Course Issuer Bid

CALGARY, ALBERTA, May 28, 2024 – Stampede Drilling Inc. ("Stampede" or the "Company") (TSXV: SDI) announced today that the TSX Venture Exchange (the "TSXV") has approved the renewal of Stampede's normal course issuer bid ("NCIB") to purchase its common shares ("Common Shares") through the facilities of the TSXV and/or alternative trading platforms, commencing on June 3, 2024 and expiring on the earlier of June 2, 2025 and the date on which Stampede has acquired the maximum number of Common Shares allowable under the NCIB.

Stampede intends to purchase, for cancellation, up to 20,137,617 Common Shares, representing 10% of the Company's Public Float (as such term is defined in TSXV Policy 1.1 – *Interpretation*).

Stampede believes that, from time to time, the market price of its Common Shares trade at prices that may not adequately reflect their underlying value and the repurchase of Common Shares for cancellation may represent an attractive use of the Company's financial resources. The actual number of Common Shares that may be purchased, if any, the timing of any such purchases, and the price at which the Common Shares are acquired will be determined based on a number of factors taken into consideration by the Company.

Stampede has engaged Peters & Co. Limited to act as its broker for the NCIB. The NCIB will be made through the facilities of the TSXV and/or alternative trading platforms and the purchase and payment for the Common Shares will be made in accordance with TSXV requirements and applicable securities laws.

The Company's prior NCIB for the purchase of up to 21,872,232 Common Shares will expire on May 31, 2024. As of the date hereof, Stampede repurchased an aggregate of 17,840,500 Common Shares at an aggregate cost of approximately \$4,335,364 (or \$0.24 per Common Share) under its prior NCIB.
