MATRRIX Energy Technologies Inc. Changes Name to Stampede Drilling Inc.

CALGARY, ALBERTA – Matrix Energy Technologies Inc. ("Matrix") is pleased to announce that, following the approval of our shareholders at our annual and special meeting of shareholders held earlier today, our name has been changed to Stampede Drilling Inc. In connection with our name change, our stock symbol will be replaced with "SDI" on the TSX Venture Exchange, effective in the next two to three business days.

With the previously announced discontinuation of directional drilling operations, our name change to "Stampede Drilling Inc." more properly reflects our current drilling rig business and the name under which we have been operating our drilling rig business to date.
